We have been in the process of locating and exploring quality granite material for the last several years. We own 10 granite quarries.

The prices (in USD) for the materials are below:

- 1) Jet Black: 450-550 / CBM
- 2) G-20 (black with blue back ground): 500-600 / CBM
- 3) G-90 (black with green flowers at back ground): 550-650 / CBM
- 4) Multi black and white: 450-550 / CBM
- 5) Multi color: 600-700 / CBM
- 6) Raj Blue: 450-550 / CBM
- 7) Medium green (with white back ground): 450-550 / CBM
- 8) American Green: 550-650 / CBM

All the granite quarries are located in South India, near Bangalore. These are previously un-explored materials. We export in blocks, gang saw sized and various sizes. How much material can be produced and other production related issues could be discussed later.
